The Greatest Spring Tonic.

At this season of the year almost every one experiences a sensation of general lassitude and debility, which, if neglected, results in a low, vitiated condition of the vital forces, that follows the sufferer throughout the summer, and usually terminates in some form of malarial or typhoid fever. If, however, the patient has the wisdom to take some reliable remedy that gently acts on the sluggish liver, enabling it to speedily carry off all impurities, while at the same time the system is vitalized and invigorated, and the blood enriched, the result is a condition of vigorous health. This result is invariably brought about by

DR. R. C. FLOWER'S SCIENTIFIC Liver and Stomach Sanative.

It is the greatest Spring Tonic ever given to the world.

Price, \$1.00 a bottle. For sale by all druggists.
